The development of Competition in Spanish Rail Markets

Javier Campos (ULPGC, Chair)

Marc Ivaldi (Toulouse School of Economics)

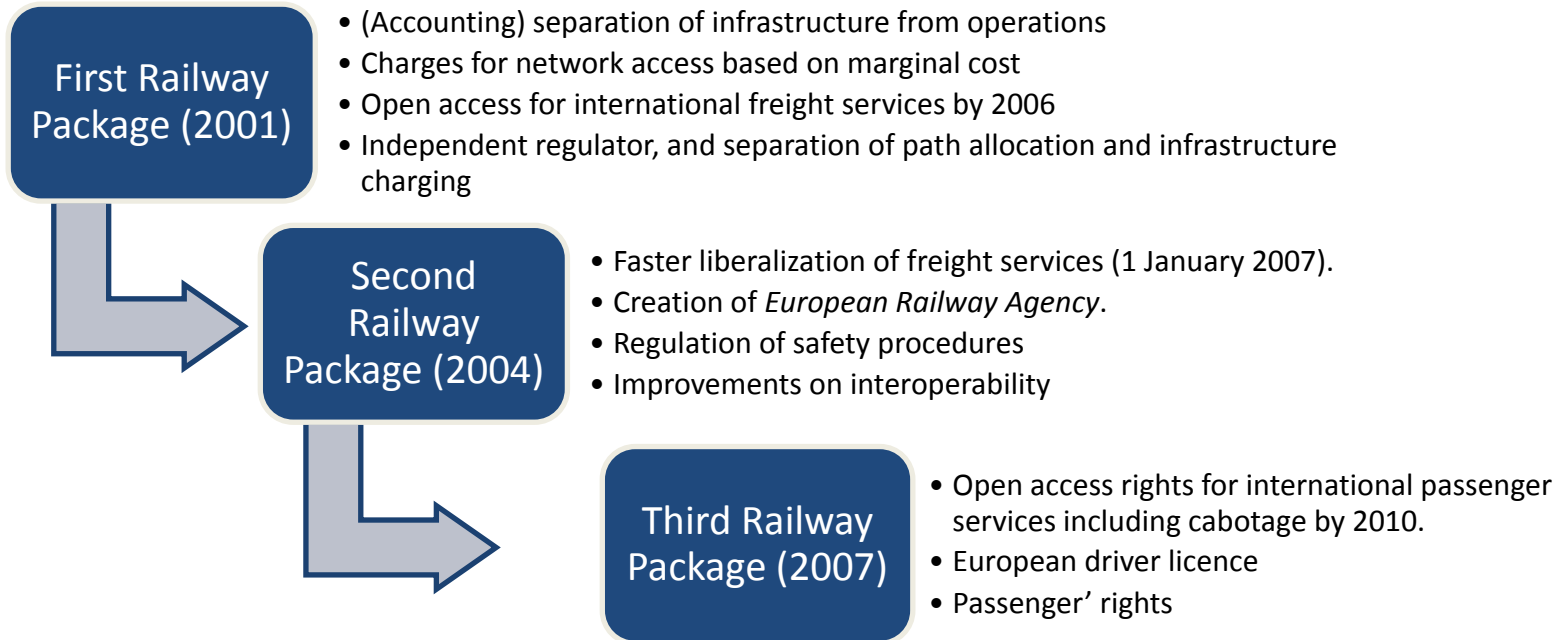

Juan Miguel Sánchez (CRF: Spanish Railways Regulator)

Juan Matías Archilla (Director of International Projects, RENFE)

Luis del Campo (Vice-president, Grupo Transfesa)

Manel Medina (Outbound Logistics Manager, SEAT)

The policy context is well-known...

...But, what is the real effect?

- **What is the current situation in Europe? In Spain?**
- **What is the role of regulators?**
- **How do the operators see the process? And the users?**
- **What is the potential impact...**
 - **for prices?**
 - **for investment?**
